

Workshop - Advanced Decorative Painting Techniques with Autentico Chalk Paint

A fun and informal 3 hour 'hands on' workshop in a relaxed atmosphere using eco-friendly Autentico Chalk Paint and products. The techniques are suitable for use in a wide range of crafts in addition to furniture decoration.

The price of £59 includes all materials needed for the workshop plus tea, coffee and biscuits.

You will learn how to use Autentico advanced decorative paint techniques:

- Metallic leaf application
- Decoupage techniques
- Transferring printed designs onto painted and unpainted surfaces with Autentico Art Medium
- Raised stencilling with Autentico Terrapino embossing paste
- How to create small porcelain type cracks on top of paint with Autentico 2 step crackleure
- How to create a cracked paint effect with Autentico Crackle Glaze

You will work on a selection of smaller items (plaque, knobs, picture frame) which are included in the price and are yours to take home at the end of the workshop.

Includes a one use 10% discount voucher usable against Autentico paints and products purchased from us. The voucher is valid for 7 days from the date of your workshop.

Booking essential, £30 deposit taken at time of booking.

Thanks,

Deb and Les
